

PIECES OF A WOMAN (Martha Courtroom Monologue)

This woman did not intentionally harm my girl. She only wanted to deliver a healthy baby that night. And I don't think that it's your fault, I do not think it's her fault. Thank you!

There might be a reason for what happened but we are not going to find it here, in this room. And, if I stand here and ask for compensation or Money, then I'm saying that I can be compensated and I can't!

I can't bring her back. No Money, or verdicts, or sentences can bring back what How can I give this pain to someone else, someone who has already suffered.

And I know that she would not want that, at all! That is not why my daughter came into this World, for the time that she did.

And that's all I have to say. Thank you.
